

CAREER OBJECTIVE

As a junior Front end Developer, I'm enthusiastic about securing a dynamic role in front-end development. I'm eager to bring my positive attitude and excellent communication skills to your team, along with my recently acquired expertise in HTML, CSS, and JavaScript. My immediate goal is to apply the knowledge I've gained, stay updated on emerging technologies, and contribute significantly to the organization's continued growth and success.

SKILLS, TECHNOLOGIES

- JavaScript
- HTML5
- CSS

Language

Amharic : Mother tongue
English : Advanced
